BE IT RESOLVED THAT this Emergency Council meeting be declared open to discuss Standard Operating Guideline #2005 relating to (DNR's) "Do Not Resuscitate" orders – on medical incidents for the Fire Department.

Standard Operating Guidelines (SOG's) for Medical Incidents

Management attended the council meeting to discuss with council a concern over how the Fire Department First Responders deal with medical incidents and Do No Resuscitate orders (verbal and/or written). Fire Departments do not fall under the Ambulance Act. Highlands East has two different ambulance services responding to the different wards and it is advisable to implement a protocol or SOG that will deal with how the Highlands East Fire Department will respond to medical incidents with "Do Not Resuscitate" orders.
