6. George Steward attended his last trails committee meeting. He has served the committee well since the committee was first formed. His presence will be greatly missed. Dave presented a certificate of appreciation and Joan presented a gift on behalf of Highlands East.
7. Prioritize List of All current Trail Projects for Council
  - Sucker Lake: -needs trail head sign
  - needs parking at Loop Rd
  - needs brochure
  - potential for 100 acres of walking trails

Waltham: -needs to be scoped again in the fall

Water Trail: -will develop/sign Grace Lake to Ted's Lake  
-unsure of bridge at Jacquie Scott's old place  
-Jim's staff to inspect water trail and report back.

Additional trail brochures will need to be made. Joanne will email Jodi Rupnow, who designed our present brochures, to get a quote for designing them.

8. Update on Farr Rd Walking Trail  
A car parked at the start of the trail will be moved by the owners. Brushing of the trail will take place the third week of August by municipal staff. The committee will be emailed with a specific date to assist with pulling the brush off the trail.
